The Omnibus Diplomatic Security Bill came out very favorably for us. One issue involved the authority of the Secretary of State to "establish" staffing levels abroad. We are, in effect, exempt from State's authority because of the fine work of Lugar, Farnsworth and Mica. The staffs of Lugar and Mica were very understanding and cooperative.

In addition, we obtained a provision in the bill which prevents any interference with current CIA authority. These thank you notes are to express our appreciation for such favorable results.

Suggest use autopen for these. (Bill is being signed on Friday.)

The Honorable Richard G. Lugar  
Chairman  
Committee on Foreign Relations  
United States Senate  
Washington, D.C. 20510

Dear Mr. Chairman:

On behalf of the Central Intelligence Agency, I would like to express our appreciation for your leadership and personal efforts in securing passage of the Omnibus Diplomatic Security and Antiterrorism Act of 1986. Your skillful management of the bill through the Committee and on the floor of the Senate was essential to its passage. This legislation is, by far, the most formidable contribution to the fight against international terrorism by the 99th Congress. Moreover, all U.S. installations abroad will be more safe and secure for federal employees.

Passage of comprehensive legislation that spanned the jurisdiction of five committees required the skill, patience and statesmanship of a true leader. The Omnibus Diplomatic Security and Antiterrorism Act of 1986 is an historic milestone in U.S. foreign affairs.

I would also like to take this opportunity to commend the efforts of your staff, particularly Richard E. Messick, John J. Ziolkowski, and Ryan Malarkey.

Sincerely,

William J. Casey  
Director of Central Intelligence
